ORDER:

In the reference read above, the Director General of Police, Andhra Pradesh, Hyderabad, has stated that in Adilabad District there are six Sub Division, viz (1) Adilabad (2) Nirmal (3) Utnoor (4) Mancherial (5) Bellampalli and (6) Kaghaznagar. Nirmal Sub Division is the biggest one in the District, comprises about 30% area of the District. It has 4 Circles and 18 Police Stations. Apart from this, Nirmal and Bhainsa towns are communally hyper sensitive and Mudhole and Khanapur Circles are communally sensitive. Because of its proximity to Maharashtra, there is lot of movement of public across the State border and criminals take advantage of this. This area is also prone to the property offences, as most of gangs from across Mahatashtra boarder too operate in this area. The long over stretched and porous border with Maharashtra is also vulnerable for movement of anti social elements. The Bhainsa town of Nirmal sub division is the second most communally sensitive place in the State, which is having population of about 70,000 with almost equal population of Muslim and Hindus. This town falls under the Mudhole Assembly Constituency, which has the history of communal violence and communal riots had taken place many times in the past and in the recent past.

2. He has, further, stated that whenever communal issues erupt in Bhainsa town, presence of Sub Division Police Office is required for supervision. Being a large geographical area, this sub division has become unmanageable for the Sub Division Police Office, not only from communal angle but also from crime point of view as crime wise this is a heavy sub division. The crime rate has increased in the last three years in Nirmal Sub Division. The Basar Temple which falls under Mudhole Circle of Nirmal Sub Division is a big pilgrimage center, which is visited by thousands of pilgrims every day. IIIT in Basar also started functioning . The Basar is going to become a big town in future, and, therefore, it is pertinent to post a senior officer of the rank of Deputy Superintendent of Police in this region.

3. Due to more number of Police Stations, i.e. 18 Police Stations, it has become very difficult for the Sub Division Police Office, Nirmal, to effectively supervise the functioning of all the Police Stations. All these factors make the sub divisional area most unwieldy for the Sub Divisional Police Officer. For affective control of the communal activities in Bhainsa

(PTO)

area and for effective policing in upcoming Basar town and the border areas, it is necessary that the jurisdiction of the present Sub Division is divided into two sub divisions.

4. The Director General of Police, Andhra Pradesh, Hyderabad, has, therefore, proposed to bifurcate the present Nirmal Sub Division and carve out one more (new) Sub Division with headquarters at Bhainsa consisting of eight Police Stations with Bhainsa town Police station headed by Inspector as Station House Officer (D-Category) and two circles namely Bhainsa Rural and Mudhole Circle, and requested the Government, to accord sanction accordingly.

5. Government, after careful consideration, hereby approve the proposal of the Director General of Police, Andhra Pradesh, Hyderabad, for creation of new Sub-Division at Bhainsa duly re-organizing the Police Stations, Circles and Sub Divisions in Adilabad District, an annexed in the schedule to this order.

6. Accordingly, the following notification shall be published in the next Extra-Ordinary issue of the Andhra Pradesh Gazette.
